

K's Refrigerated Transport

Send it by Air

**Freshness is the key to beauty.
To ensure optimum freshness, be sure to send it by air.**

Drawing on more than a decade of experience in the floral transport industry, K's Refrigerated Transport is your premier carrier of fresh-cut flowers from the field to the airport and direct to your doorstep. We meticulously maintain the cold chain that protects your shipment – so your perishables arrive fresh to their destination every time.

Now offering daily scheduled service to San Diego Lindbergh Field, LAX, and Oxnard.

Our services also include:

- Local deliveries within San Diego and Los Angeles county
- Import and export services from LAX cold storage facilities
- Consolidations for Hudson Direct Trucking
- Daily deliveries to Prime Floral in Oxnard
- TSA / IAC certified for your peace of mind
- Always available for special transport arrangements and special orders, both large and small
